

TIME	SESSION	
7:00 AM – 8:00 AM	Registration & Breakfast	
8:00 AM – 9:00 AM	Welcome Notes & Presentation – Bimal Patwari, President & CEO, Pinnacle Infotech Inc.	
9:00 AM – 9:45 AM	Key Trends Transforming the Global Construction Industry – Steve Jones, Senior Director (Dodge Data & Analytics)	
9:45 AM – 10:30 AM	Michael Gustafson – Industry Strategy Manager (Autodesk) – Workflows in BIM 360 and Collaboration for Revit – a Central Source of Truth for Designers and Fabricators	
10:30 AM – 10:45 AM	Coffee Break	
	Architecture & Structure	Mechanical, Electrical & Plumbing
10:45 AM – 11:30 AM	Tekla Structures for Contractors planning and pouring concrete – By Guy Erickson – Busness Manager Concrete Segment (Trimble)	The Future of Fabrication– Optimize Costs & Speed–Up Installations By Amanda Comunale , Director of Construction Piping Services (Victaulic)
11:30 AM – 12:15 PM	Structural Detailing Services by Structural Engineers — Who, How, When, and Why? – Ryon Pax (Structural Engineer) & Daniel McCloskey (Managing Director) – MB BIM Solutions	Fabrication: 60 Tips in 60 Minutes – JUBEL BEREN (BIM/VDC Technologies Manager) – ProCraft Mechanical Inc.
12:15 PM – 1:15 PM	Lunch & Networking	
1:15 PM – 2:00 PM	Laser Scan to Point Cloud & Facilities Management – By Biswaroop Todi	Assembly Line Manufacturing – Why, When, How? – By Bimal Patwari
2:00 PM – 2:45 PM	The Time is Now – Switching From AutoCAD Architecture to Revit: The Right Attitude is Everything – Tom Tobin (Manager of Design Technology / BIM Administrator)	Creating Revit Templates for Fabrication Parts in Revit – David Ronson (Autodesk Fabrication Specialist) & Ken Wilson (Fabrication Technology Advisor) – Applied Software Technology, Inc.
2:45 PM – 3:30 PM	Marketing Presentation using BIM – By Biswaroop Todi	Evolve Your Electrical Models to Fabrication – RICK BUCKMAN (Senior Virtual Construction Designer) – Applied Software
3:30 PM – 3:45 PM	Coffee Break	
3:45 PM – 4:30 PM	Clients Experience with Pinnacle	
4:30 PM – 5:15 PM	Panel Discussion 1 – Outsourcing Services: Do's and Don'ts	
5:15 PM – 6:00 PM	Panel Discussion 2 – Mitigating Construction Risks with BIM and Robotic Total Stations	
6:00 PM – 6:30 PM	Closing Ceremony, Feedback, Q&A – Scott Pittman	
7:00 PM – 9:00 PM	Reception & Cocktail
